SCHOOL GUIDELINES

Our school reserves the right to edit ads per our guidelines. Please make sure all submitted materials are appropriate for school publication. No copyrighted photos will be accepted.

TIPS for creating your best tribute

- Your photos will look and fit better if your photo is the same orientation as the picture box. (Horizontal vs vertical orientation.)
- Use clear, high-resolution photos. If your photo is blurry, it will be blurry in your ad.
- Choose photos from every moment of your students life, and pair them with a heartfelt message.
- Use the cropping tools on the website to crop out unnecessary background and focus on your student.
